MHS Musical

The MHS musical is open to all MHS students. This year's production is A Funny Thing Happened on the Way to the Forum. It will be performed March 10,11,2006. Forum has wonderful tunes, hysterical lyrics and very funny scenes. Under the direction of Laurel A. McMahon, the cast is working to present the amusing tale of romance and tension in Ancient Rome. Inventive choreography by Kacey Nordengren will add to the festive atmosphere of the show. The orchestra is conducted with great elan by Frank R. Savory, who is retiring this year. This will be his last production here at MHS and he will be missed! The impressive set is designed by Kirk Trach and built with help from Phil Falco. The costumes are imaginatively created by Jayne Petzy and many parents helped with ticket saled and program ads.

MHS Senior Class Play

The sernior class play os 2006 was You Were Born On A Rotten Day, a comedy spoofing fads in society and in the classroom. Under the direction of Laurel A. McMahon, the play had a very successful run. The senior class advisor, Maria McLaughlin, promoted the play quite well, so attendance was up from previous years. The cast and crew included the following: Timothy Howd, Justing Houghton, Ashley Learned, Kristen Redford, Aaron Young, Kyle Deslauriers, Elizabeth MacLaughlin, Maria Cordero, Frank Farrington, Duncan Mischo, Jonathan Merced, Lorennys Vasquez, Stalain Robert, Christine Loughlin, Diva T. Williams, Melody Jo Byron, Eunice Delice, Kayla Falco, Heather Rose Correia, Sara Morin, Amelia Carceo, and Havier Grullon

A Message from your Adviser....

Taking over the staff in the middle of the year was tedious but was also very rewarding. I enjoyed working with the 2006 yearbook staff. They have worked very hard to capture the fond memories that all of you have made. It is my hope that you will enjoy it!

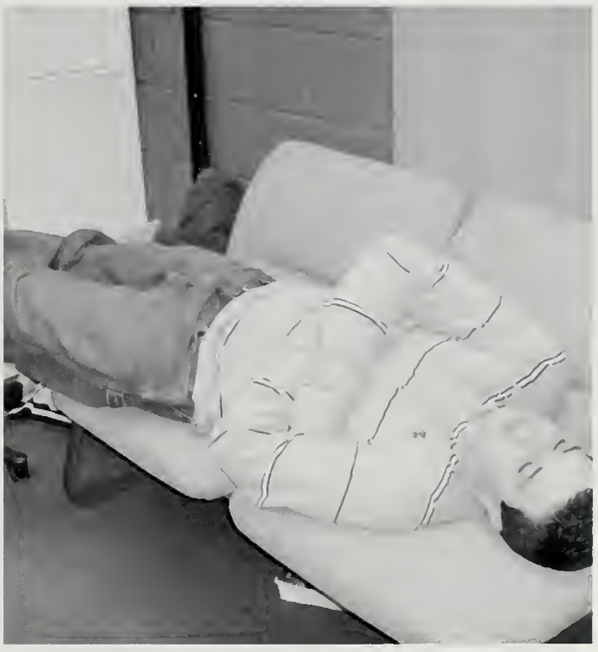
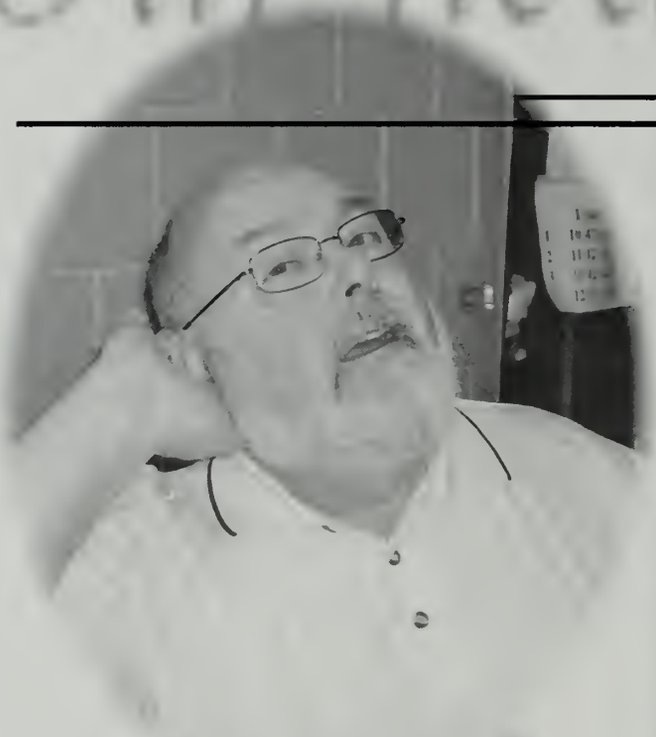
...Doing What They Do Best!



We would like to dedicate



Mr. Frank Savory

Mr. Savory first became involved in music in the 3rd grade. The year was 1953. In 1967, he began teaching at Methuen High. He left MHS in 1970 and returned in 1983. Mr. Savory has been directing the Methuen High School Band since 1993. What is the most rewarding part of being a band instructor? "Watching my students grow and develop into musicians and useful citizens." Mr. Savory inspires his students and pushes them to be the best that they can be. Many of his students have continued their love of music and have pursued careers in the field. In fact, one is a band instructor in the Methuen Public School system, some teach all around the country, and others perform in symphonies all around the world. What will he miss most about Methuen High? There was no hesitation when he responded to this question. "The students," he replied. "The thrill of watching a band you direct march down Main Street at Disney." The band's performance at Disney has become one of his fondest memories.

Since starting at Methuen High, the most notable change that he has seen is the diversity that exists within the school. In his early years of teaching, MHS population was much less diverse. "All cultures work together for the common good." So, what will Mr. Savory do after he retires? He plans on running an office part-time for a friend of his. His hope for the future of the music program is that it will continue to grow since he has worked so hard to build it up to this point of success. "Always do your best because that's the only way you'll find out what your true potential is. Don't be satisfied with mediocrity." We will miss you Mr. Savory. Best of luck!

Marrianne Moran

Marrianne Moran has been here for 25 years, 10 of which she spent as the Math Department Chair. When she first got here, there were no walls. Watching walls go up was a delightful change for her. Mrs. Moran saw teachers and students come and go, the curriculum changed for the better, and she noticed her students got into better colleges. She has a background in education with a bachelors from Stone Hill in Chemistry and a masters from Salem State College. Mrs. Moran also has a certification in math. She previously worked at MIT in the Framingham Heart Program as a research associate. She is the only Massachusetts teacher of the year that was nominated by a student. She never regretted anything she did. A bit of advice from her: "although you think you know what you are doing, five years from now, you really don't." A quote she lives by is "if not me, who, if not now, when?" Even though Mrs. Moran will be leaving Methuen High School, her presence will always be here. Mrs. Moran will be missed by the staff and students. All the best!

Dr. Cyndy Morrissette

Before becoming a Spanish teacher here at the high school, Dr. Cyndy Morrissette previously taught at the Methuen Jr. High School. She then transferred to the high school when it was constructed in 1975. In 1997, her experience as a Spanish teacher helped enable her to take on the responsibilities and leadership skills as the Foreign Language Department Chair. Dr. Morrissette has many wonderful memories of Methuen High. Her fondest memory was when she traveled with her Spanish students to Spain. While in Seville, she had the insight to tell a waiter at a local restaurant not to speak in English. She knew if her students were to excel in the Spanish language, they would have to immerse themselves in the Spanish culture. Dr. Morrissette has a daily commute of one hour. When asked why she has remained in Methuen, she responded, "I have always stayed in Methuen because it is a wonderful community to work in."Dr. Morrissette will sadly miss the Foreign Language Department faculty, "Over the years, my colleagues in the Foreign Language Department have been like a family to me. They are dedicated and hardworking."Dr. Morrissette will also miss her talented students.
Methuen High will miss Dr. Morrissette very much. We all wish her good luck and happiness in her retirement!

Brian Urquhart

Brian Urquhart graduated from Umass Amherst in 1971. He later earned his masters from the University of Arizona. Mr. Urquhart then coached under the legendary George Bossi. He taught physical education in Lowell for 6 years and then came to Methuen in 1978 as a Health Teacher and Varsity Wrestling Coach. He remained in this position for 15 years, and for 13 additional years, he served as the Athletic Director.
Mr. Urquhart enjoys his hobbies of skiing, home repairing and traveling. When asked what he will miss most, Mr. Urquhart said that he will miss his daily contact with the great teachers, staff, coaches and students of Methuen High School. We will greatly miss Mr. Urquhart. We wish him the best of luck in all of his future endeavors!

Dr. Linda Friel

Linda Friel majored in English and minored in History. After receiving her doctorate, she pursued a career in media services. At Methuen High, Dr. Friel worked in the media center, which made it difficult for her to form relationships with the student body, but this did not stop her goal of interacting with students in a positive attitude. During her 21 years at MHS, she assisted many students with media information.
She contributed to and is one of the advisors of the club, Books and Bagles. One of her biggest challenges was renovating the K-8's media centers. Her advice for students and teachers of MHS is to "never shut the doors to learning and to be a self-starter." Dr. Friel looks forward to the future with wonderful memories of the past. During retirement, she will continue her life long hobbies of scrap booking, bicycle riding and going to the gym. The staff and students will miss Dr. Friel. We wish you all the best!

We would also like to thank three other special teachers that are retiring this year... Ms. Karen Bergeron, Mrs. Joanne Gallagher and Mr. Donald Smith. They will be greatly missed! Good luck!

About the 2006 Yearbook...

What can we tell you about the 2006 edition of the Methuen High School yearbook? Produced by a student staff and faculty adviser, the printed yearbook covers life at Methuen High School between September and mid-March. While the book highlights seniors and their many accomplishments, it also seeks to capture the memories of the underclassmen and include as many students as possible from all class years. The yearbook is unveiled at the Senior Breakfast and is distributed to underclassmen prior to the end of the school year. The accompanying CD-ROM Supplement covers all spring events, including senior events and graduation. It is distributed in the fall to all students who purchased a yearbook. Four Hundred copies of the yearbook and CD-ROM Supplement were produced by Jostens Printing and Publishing in Winston-Salem, North Carolina. John "Bogie" Fletcher served as Plant Consultant, while Kevin R. Dillon served as the local Jostens Yearbook Specialist. The yearbook cover is a full-color Tru-Life High Gloss Laminated Litho-Pictorial. Cover artwork was designed in July 2005 by student staff members and the Jostens' Creative Resources Team at the annual Summer Workshop at Bryant University. The CD-ROM label is designed to match the cover. The 140-page yearbook was created completely online using Jostens' "YearTech Online" creation tool. Adobe InDesign CS and PhotoShop were used for certain special layouts and design elements. The book is printed on 100# High Gloss stock. There are 4 multiples (32 pages) printed in four-color process. The CD-ROM Supplement was created using Jostens' Memories Builder software. Portrait photography and most of the candids, team photos and athletic action shots were provided by LifeTouch Photography. Mr. Terry Bleiler served as photography representative. Additional photography was provided by students. Yearbooks were sold for $65 each, including the CD-ROM Supplement. For an additional cost, students also had the chance to personalize their books and order a wide array of options. In the spring, late yearbook orders were taken for $75 each. Mrs. Johnetta Hudson served as Faculty Adviser, and Ms. Elaine Ventura served as Immediate Past Adviser. The advisers and students wish to thank all members of the MHS community who gave countless hours to assist with the production of the 2006 Methuen High School Yearbook.

Vanessa,
From the moment you were born we knew you were a special gift. Your laughter is contagious, your spirit is free, your will is strong.

We are so proud of you and all of your accomplishments. We know you have a very bright future ahead.

We love you,
Mom, Dad

Congratulations TO THE Class of 2006!

In Memoriam...
Lauren Licciardi

"Our Fighter, Our Angel"
October 19, 1990 - March 17, 2006

My name is Michael Licciardi and I'm here to tell you a little about my sister, Lauren. Her battle with cancer began when she was a sixth grader at the Timony School. She was diagnosed with a cancer known as Ewing's Sarcoma in her knee. The thoughts running through my head were, "How could this happen to my family? Cancer is only something you hear about on the news. How can this really be happening?" Nonetheless, a year and a half later Lauren defeated the Ewing's Sarcoma with a major surgery on her knee, which had her in a cast for many months. Lauren returned to the Timony at the beginning of eighth-grade, as a full-time student. My family and I were thankful that Lauren was able to overcome cancer. On a November night, a night I will always remember, it was the night of my induction in the National Honors Society, and the same night my family was informed that Lauren's cancer was back

in the form of Leukemia. This hit my family like a ton of bricks. We thought we never had to experience something like this again. We thought that God had already tested us. This was not fair, and Lauren did not deserve this. She is a smart, beautiful, highly athletic and competitive girl who should be living her life as a normal high school freshman at Methuen High School right now. However, I am really here to let you know that despite everything that is happening to her, she is the strongest individual I have ever met in my entire life. Despite being constantly unsure of what's next, despite the pain and sickness she has obtained throughout her battle, despite the fact that she is a young girl with no hair, and the fact that she can not take part in things such as attending school and playing on the basketball team, you can always count on Lauren to have a positive outlook on things. Although her battle with cancer has been a major stress in my life, Lauren has always had the ability to make others feel comfortable around her because of her good spirits. No matter what the conditions, you can always get a big bright smile out of her. She is the definition of a trooper. She has the drive and determination to overcome this cancer indefinitely and return her life to normalcy. Finally, I would like to thank my sister's friends, who are like my adopted sisters, for their ability to always be there for Lauren and my family. I would like to thank the Methuen Public Schools and the community because of their constant concerns for Lauren and all of the generous fundraisers for Lauren to show their support. I personally want to thank my mother, father, brother Nick, grandparents, aunts and uncles for giving me the support and courage to get through the hard times together as a team. My family and I want everyone to know that we appreciate everything you have done, but please do not stop praying. The power of prayer and hope is the most powerful medicine.

Hurricanes ravage the Gulf Coast region in the fall of 2005, posing an unprecedented test of the United States federal emergency response efforts. Hundreds of lives are lost and thousands are left homeless in the wake of Category 4 Hurricane Katrina, followed by Rita and Wilma. The tragedy spurs contributions of money, talents, homes, food and more in an attempt to raise spirits and rebuild the area.

RISING FROM THE STORMS

August

25 Hurricane Katrina strikes Florida.

28 Mandatory evacuation of both New Orleans and Mississippi is ordered as Katrina becomes a Category 5 storm in the Gulf of Mexico.

29 Downgraded to a Category 4 storm, Katrina hits land. 1.3 million homes and businesses lose electricity in Louisiana, Mississippi and Alabama. 30 levees are breeched, flooding New Orleans and leaving 100,000 people stranded. After slow government response, civil unrest and looting begins.

31 President Bush surveys the damage.

September

1 30,000 National Guard troops are deployed. Gas prices spike to as high as $5 per gallon.

2 President Bush visits Louisiana and signs a $10.5 billion relief bill. Nearly 154,000 evacuees arrive in Texas.

4 The New Orleans Superdome is evacuated.

6 President Bush and Congress pledge to investigate the flawed disaster response.

9 Government-issued debit cards are distributed to evacuees. The program fails and is ended days later.

12 Michael Brown, head of the Federal Emergency Management Agency, resigns. Flooding is down to 50 percent in New Orleans.

14 New Orleans Mayor Ray Nagin announces a phased repopulation plan.

15 New Orleans begins to reopen. Katrina is named the most destructive hurricane in U.S. history.

20 Louisiana Governor Kathleen Blanco declares a state of emergency as Hurricane Rita strengthens off the coast.

22 Rita hits the Louisiana coast and heads for Texas.

23 Thousands evacuate eastern Texas and the 9th Ward of New Orleans floods once again after levees are overrun.

October

24 Hurricane Wilma hits southwest Florida.
